

Wakehurst Ladies U18 Age Announcements

Hi all,

I am going to post on the Wakehurst website shortly the teams in our three Ladies U/18's for this season. This has been a particularly difficult process as we had 4 teams to grade, last year's 18/1's & 2's and 16/1's & 2's so obviously there has been some movement. The movement has been particularly evident in the 16/1's with you all being split up into the three different teams. Hopefully this all makes sense as obviously last years 18/1's & 2's are a year older and wiser but having said that they have been split up to a certain extent as well but all team placements have been purely based on ability no matter where you played last season. And also U/16's, keep in mind that next year you will be the older 18's, as this year's 18's all move up into All Age, so you will most likely all get back together again. The graders make all the decisions working of grading performance and various coaching reports. So please if you have any issues feel free to call but I hope you all understand that we do the best we can and I think we have placed you in teams best suited to your ability. I also think you will probably all know plenty of girls in all the teams anyway. We have great coaches and managers for all three teams and I wish you all the best for the season.
